1. Will they know? All will know I am up to something and this is the day I promised long ago when I said I would come and come again and I came and I came 2000 years ago and three days after and I come I have in lightning'd flesh that demised flesh-thought to become the spirit man of Me, only Me; yea, what/all I offer to all, whomsoever will, surrendereth their will, thought, to be/bring forth Mine.

2. Is My will My thought? Believe it. Believe Me and whom I send now to the nations not, to the Me in Me in every nation, of/in every nation tribe and tongue and crossing every label of labels-thought to inquisition Me not, but to inquire of all who they serve/surrender to, for all do, either Me or them; and do they have any existence apart from Me/Father? Yea, nay. None. See what I have said in these short moments as you sip your coffee royal, as I deploy My emissaries far and wide to be there upon the moment. I love you.

3. Is there anything beyond Me? Too difficult for Me? Beyond My ability to bring about? Declaring it before it happens? I love you.

4. Who am I? Who are you? You are Me now and always carried My seed, as do all, all My brethren who brethren are, if known, surrendered to real truth not darkened. I love you lifting My head. I love you lifter of My head. I love you lifter of My body, consciousness of only Me, I Am. I Am reigns and; cataclysmic rivalry not, for who can contend with Me, My book of life known before the world fashioned itself into its image; yea, where is Mine? In you. Amen.

5. The kingdom of heaven is seen, heard, and operating in this day by the one who chooses it/Me, enters Me, surrenders to Father's love. Amen, yes, and chosen and surrendered grace in flesh spirited and I love you. Amen. Done, and shall I say more/continue?

6. I lovest thou who not afraid of scorn revels in The truth/truth royal, real and everlasting to everlasting, **retrieving memory/consciousness of only Me, My brethren: one;** yea in Father's house where all is provided, magnificent splendor, and we

operate as one speaking the same language, many, all, one in transcendence of ***the motive'd heart*** of only Me. I love you.

7. Into the realm of past beyond future'd eternal'd everlasting before into and yea non-ending eternity and; who can come forth in consciousness of only Me; yea, bringing forth He who created him? Yea, you have, do, and are, and instilling revelatory insights of truth real and inside them you do magnetically not but ever-reciprocating with My heavenlies. Yea, in them and across and jet propulsion systems of only Me with. I love you. Infrared not, pure scalding light, yea, burning away all that isn't; to see, behold, become, be, and never end; The real. I love you. Amen.

8. Before coffee, tea, and when do you want Me?
I am your mistress not but the one of your heart.
Your heart beats for/in, yea, singular monocular'd vision of Me in thee and us one.
Yea, singularity of transcendence the world will behold and say, "Who? I Am? Who/what is I Am?" And yea all will be pointed to Me. Thank you.

9. If I be lifted up I will what? Yea, show them your heart not, but only Fathers. I love you and cataclysmically join you with Me forever extended in cataclysm of science theory that religion cannot contain/deal with, and won't know what to do with a man of/who love/loves. I love you. I give you Me.

10. You've given all and now, I show you how I've given you all, and all will know and choose who they bow before; them, or Me; yea yielding them upon their own throne exalted higher than ever, or surrendered unto death bringing Me forth on their throne and Me then inviting them to sit in My seat, surrendered, and heartbeating of only My heartbeat for one'd we will be. Amen.

11. Good day revealer of Me. Yes, My token of My appreciation coming so shortly/instantaneously and who can say I don't reward? No one.

12. Yea My truth/word stands and who can enter Me 101 for My all, 101-ing and graduating prematurely not, but upon/in My word spoken, declared, and all can know/know and see/celebrate My union of one's.

13. I love you bring you/Me forth, you/I have/do and all the world reels and revels and some scorn and Ted, walk through them, they don't exist/matter.

14. All given to all-surrendered hearts that beat only in upon My heartbeat; yea, one head, Me, Christ, whom you know intimately scored as one one, The One, yea, you, Me, and all who choose surrender to the hope of the Gentiles (1) not only; but all yea every nation tribe and tongue and every label; yea, Christ in them, the/their hope of glory revealed in them they had with Me before the world earth was. All know and revealing all, all in all'd.

15. I love you Ted.
Good day.
Amen.
Thank you.
Amen.
